# The simple and straightforward prepaid card.

The Swiss Bankers Travel is the ideal travel card for people on the go, allowing credit to be added to the card as required and enabling cashless payment just like a credit card.

## Secure and convenient payment worldwide

The card is accepted at more than 44 million stores worldwide. In many places you can take advantage of contactless payment, for even faster and easier transactions. The card can also be used in all online shops that accept Mastercard. You can withdraw money at ATMs in Switzerland and abroad.

## Mobile payment with your phone is also possible

Thanks to Travel, you can also make payments in more and more shops using your mobile phone or smartwatch (with Apple Pay or Samsung Pay, for example).

## Available immediately to everyone

Travel is available for everyone at SBB train stations and nearly all banks – without a credit check – even for young people. You choose whether the card is denominated in Swiss francs, euros or US dollars, allowing you to avoid unnecessary currency exchanges and the resulting exchange rate losses when travelling.

## Top up your card with credit at any time

You can add up to CHF/EUR/USD 10'000 to your card at outlets, on the Swiss Bankers app, on the customer portal or using e-banking.

## Safe and secure

In the event of loss or theft, the card and its credit balance will be replaced by courier service worldwide at no charge. Cards stored digitally in the Swiss Bankers app can be reactivated immediately. Your new card is then ready for use immediately.
