

Terms of use for the use of the Travel Cash card in conjunction with the services of Hotelcard

General provisions

The Travel Cash card of Swiss Bankers Prepaid Services AG (hereinafter referred to as SBPS) includes functionalities of the Hotelcard issued by Hotelcard AG, 3600 Thun. Following prior registration and sign-up on the website of Hotelcard, the cardholder will benefit from the same services as Hotelcard holders. In addition to the "General terms and conditions for the use of payment methods provided by Swiss Bankers Prepaid Services AG" and the general terms and conditions of Hotelcard, the following applies in this case:

Payment terms

In order to make use of the Hotelcard services, the cardholder must pay for the entire hotel booking using the Travel Cash card. The cardholder must ensure in advance that the credit balance on the card covers the transaction. It is the responsibility of the cardholder to specify a valid and active Travel Cash card to Hotelcard. Where the hotel booking is not fully paid for with a valid and active Travel Cash card, SBPS reserves the right to charge the cardholder a fee of up to the amount of the ordinary annual Hotelcard fee and to deduct the same from the card's credit balance.

Applicability

Booking requests via the Hotelcard may be made up until the expiry date of the Travel Cash card. The actual stay at the hotel may take place after this date, provided the Travel Cash card has been correctly renewed in order to pay for the hotel booking.

Amendments/cancellations

Amendments or cancellations of the booking must be directly communicated to the hotel or the travel company.

Data protection

Hotelcard AG provides SBPS with the registration and booking details of Travel Cash cardholders. SBPS uses this information in order to verify that the hotel booking has been paid for with the Travel Cash card. The data are not disclosed to any third parties.

Amendments of the terms of use

SBPS reserves the right to amend these terms of use at any time. Amendments of the terms of use will be communicated in the "My Card" app and on www.swissbankers.ch and are available there at any time.
